Subject: Vote NO on SB-16

SB-16 is an unconstitutional Bill that has no place in CT. As representatives it is your duty to uphold the constitution not pervert it. We already have some of the strictest gun laws in the Country. All the firearms I own are used for good not evil and to strip me of my rights for no reason is despicable.

I have taken several Basic pistol safety courses and firearm hunters safety courses. I have always kept my guns locked up long before government has been trying to force people to. I even carry firearm insurance. I have always gone above and beyond when it comes to firearm safety and responsibility. Still despite all my efforts Government wants to take and take until I have nothing left.

I urge you to vote no on SB-16. It is absolutely far too over reaching and will hurt good people like myself. Remember your oath to uphold the constitution and be a role model in doing so. We have too many politicians stripping our rights away from us. Be someone who preserves our rights and freedoms not a tyrant who takes them away.
